President's Message

Dearest Members,
CSI offers several certifications. Are you interested? Let us know!

CSI CERTIFICATION PROGRAM

CSI is the construction community's authority on communication and construction documentation. Through CSI's Certification Program, you can develop a conceptual understanding of the entire construction process, and concrete skills in:

- Construction documentation development and administration
- Specification writing and enforcement
- Product research and sourcing
- Communication with the design and contracting teams

CSI's Construction Documents Technologist ([CDT](#)) certificate is a prerequisite to CSI's Certifications: Certified Construction Contract Administrator ([CCCA](#)); Certified Construction Specifier ([CCS](#)) and Certified Construction Product Representative ([CCPR](#)).

Are you a Region/Chapter Certification Chair, or an instructor for a CSI Certificate/Certification exam? Check out the [resources available](#) to help you prepare candidates.

REGISTRATION INFORMATION

CSI offers the CDT, CCCA, CCPR and CCS examinations twice annually in the Spring and the Fall. Open registration for the test begins in the Winter and Summer respectively.

Spring 2018 Exam Dates March 27th - June 2nd, 2018

Spring 2018 Early Registration January 9th to January 23rd, 2018 at midnight EST.

Spring 2018 Standard Registration January 24th to February 28th, 2018 at midnight EST.

Spring 2018 Final Registration March 1 to March 16th, 2018 at midnight EST.

As I tell my kids, education is the one thing that no one can take away from you. Leading a life with active learning, helps not only you but the world around you. Take care of your project as if it was your first child, not your fifth.

Best Regards,
Marina Reynaga, Austin Chapter President
