Austin Chapter, CSI

July 2014

The Construction Specifications Institute

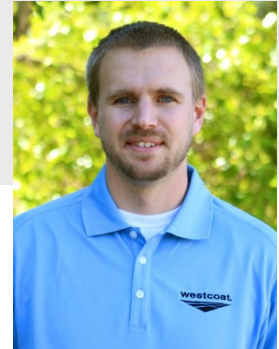

## Function & Form in Waterproof Decking

This course will provide attendees with a detailed description of the various application techniques to correctly waterproof plywood and concrete decks and will focus on materials, techniques and decorative aesthetics.

Learning Objectives:

- Identify appropriate flashing materials and placement when waterproofing plywood decks.
- Examine the beneficial factors of a bonded deck system versus floating systems.
- Define proper methods for waterproofing a plywood deck to receive tile, stone or concrete.
- Explore the various decorative finishes available for waterproof deck coatings.

Course Number: AIACES001513  
Provider Name: Westcoat  
Provider Number: 40107478

**Shaun Dunn**  
Texas Sales Representative

### BIO

One of our most recent additions to the sales team, Shaun Dunn comes to us with seven years experience as a loyal Westcoat applicator. His experience with decorative, waterproof coating installation prepped Shaun for success at Westcoat. Shaun's knowledge of coatings combined with his marketing and business acumen bring his customers well-rounded industry knowledge to help them succeed. A strategic thinker and initiator, Shaun Dunn brings new ideas to the forefront and works hard to educate and inform about the latest and greatest in coatings products and installation options.

Shaun Dunn spent seven years as a loyal Westcoat applicator prior to becoming their representative for Texas. His experience with decorative, waterproof coating installation and prior sales experience prepared him for his job with Westcoat. Coming from the Pacific Northwest, which experiences long periods of wet weather, impressed the importance of proper detailing in waterproof surfaces. From working with homeowners one-on-one to acting as a subcontractor completing 100+ decks on a single project, Shaun has a wide range of experience to share in regards to waterproofing both plywood and concrete balconies.

## President's Message

**Dave Watts, AIA,  
LEED AP**

As the new president of the CSI Austin Chapter, I want to take this opportunity to extend my thanks and gratitude to David Loveless for his dedication and leadership to the chapter over the past two years. I look forward to David's continued, strong support. I also want to thank the members of this year's board for their continued support, including: Larry Whitlock, President Elect; Baker Kersey, Vice President; Tyler Lusk, Secretary; Scott Mokry, Treasurer; Jody Boatman, 2015 Director; and America Alva, 2016 Director. I can't forget to extend a special thanks to Corey Ball for continuing to serve as Program Chair. I look forward to working with all of you over the coming year.

In the coming year, the board will continue to focus on increasing current member participation as well as seeking to add new members to the chapter. For our chapter to be successful we need participation from architects, engineers, specifiers, contractors and product representatives. Our chapter should be providing meaningful experience and expert information to all of our members. Unfortunately, we recently heard from a member who struggled with renewing their membership and, in the end, did not renew for valid and understandable reasons.

We want this chapter to be a beneficial experience for both the member and their employee, but we can't do it without your help and this chapter's feedback. We want you to honestly answer the question, "What is it you want to receive in return for being a member of?"

We, the board, want to hear from all of you. Please feel free to call or email any of the board members with feedback on how we can improve our organization. Our goal is to get back to basics and create a stronger, more beneficial chapter for our members – but we can't do it without your help!

You can reach the Board Officers and the Committee Chairs using the contact information listed at the end of the Newsnote. Thank you again for your commitment to our chapter. We hope to hear from you soon!

- David Watts

### **2014-2015 Sponsorships**

Beginning in January, the Austin CSI Chapter Monthly Meetings will be held at the Austin AIA offices - 801 W. 12<sup>th</sup> Street Austin, Texas 78701.

Tabletop display will remain available. Fee is \$50.

In addition to Tabletops, Lunch Sponsorship opportunities will be available as well. For either types, please contact America @ [amtheline@yahoo.com](mailto:amtheline@yahoo.com) or call 512.492.5203 for scheduling.
