President's Message

David C. Loveless,
CSI

It has been two years now that I have served as president of the Austin CSI Chapter. It has been a ***VERY*** rewarding experience. I have had the opportunity to work with a very dedicated and supporting group of board members, all of which have made this position enjoyable. But as with all good things sometimes they must end or at least change. It is now time for me to pass the leadership off to David Watts who is more than capable of handling this responsibility. I am sure the entire chapter will offer their support to him when and if he calls upon you for assistance.

As of today the chapter is needing a nominee for Vice President. This position is a perfect position for someone who wants to become more engaged in the chapter's activities but needs a little growth time to develop and learn. If you think you may feel the urge to join please feel free to drop your name in the hat.

I would like to give a big thank you to the chapter and the board for working with me and making this position fun and rewarding.

You're soon to be Immediate Past President.

David c Loveless
